Winter Games Legacy Fund

The Winter Games Legacy Fund

From March 6 to March 12, 2006, the Town of Beausejour had the honour of hosting the 2006 Power Smart Manitoba Winter Games. This event saw 1100 athletes and hundreds of volunteers from across the province fill our region with spirit, sport, and community pride. Through their efforts, we have a lasting legacy in the community known as the Winter Games Fund.

Proceeds from this fund go back into the community to support the sports of the Winter Games, however any sport as part of the Manitoba Provincial Games may be considered.

The Winter Games Fund has proudly supported:

- Beausejour Brokenhead Minor Hockey Association
- Beausejour Curling Club
- Beausejour Skating Club
- Brokenhead River Recreation Commission
- Eastman Speed Skating
- Elite Gymnastics
